

We had a great PTA on Thursday morning - thanks to everyone who attended!

One of the most exciting topics we discussed was that we have been successful in being selected as a Co-op Local Community Fund (many thanks to Nicola Aslam for co-ordinating this.) This means that Co-op members can select St Anne's to receive 1% of everything they spend in store. This may not sound like a lot but we found out today that from plastic carrier bag sales alone we have raised over £873!!!

We are hoping that everyone will become a Co-op member and help make this total even more! Becoming a member literally takes a couple of minutes and costs just £1. Once you're a member all you need to do is select St Anne's Fulshaw as your chosen local community fund and after that 1% of everything you spend in-store is donated to us! This could make a real difference to the school and is such an easy way of raising funds. Anyone can become a member so please encourage family members and friends to support us in this way! Please click on the following link to become a member and share it far and wide! www.coop.co.uk/membership

Another bonus of becoming a member is that Co-op will put 5% of everything you spend into your Co-op membership account, meaning that you will not only raise money for the school but also for yourself. It's literally a win-win situation.

We will be pushing this amazing fundraising opportunity more over the coming months and are planning on producing more promotional material for you to share, but we wanted to get the ball rolling as soon as possible. We are only a community fund until October 2017 so please, please, let's all pull together and see how far our milk and bread can take us.

St Anne's Fulshaw Primary PTA

Education & Skills

We want to resurface the outdoor play area using soft-pour rubber so that the children can safely enjoy it all year round, in all weathers.

£873.47 raised so far
