

The PTA Summer BBQ is 3 weeks away, Friday - 16th June 6-8pm.

You should all have received an envelope which came home in book bags, to decorate & fill for our washing line stall.

We are hoping to have 12 stalls, the bar, salad/bbq food order table and the desserts table, that need your help please, plus food donations. If we calculate that each stall needs one person per 30 minute slot and 2 volunteers each for the bar, BBQ food ordering & salad table and the desserts, we are looking at needing 72 volunteers! If you can help for an hour that brings it down to 36 people. This isn't including cooking the food on the BBQ as we already have 2 dads who have agreed to cook for the 2 hours, although I'm sure they'd appreciate a break.

We know we are a small school, but we have 90 families, so it is feasible, as we'd like as many as possible to be able to enjoy this social, fundraising annual event as well helping out. One fabulous mum is donating 5 food items, offering an hour of her time on a stall and she has only one child at this school and a pre-schooler. If we don't get enough volunteers, then we'll have to allocate 2 stalls per class or year group or not go ahead with all stalls.

Let's hope we have beautiful weather and adults and children have a great evening. A poster will be out in due course.

Please email pta@stannesfulshaw.net if you can help with a preferred time slot and a food item. Outstanding food donations are: flapjacks, brownies, pots of cream, a plate of chopped peppers and a bowl of cous-cous. We have already have volunteers from the parent Facebook group for over 28 items and a few stalls.

Thanks in advance, Lisa and Emily.
