Play Equipment

Could I please ask parents to supervise their children's use of the play equipment when they are waiting before and playing after school, especially when pre-school age children are using it? We know genuine accidents happen, especially when a large number of children are playing and are of a wide age range.

Preloved Uniform

We have a very large stock of preloved items in the entrance hall – plenty of trousers / skirts and pinafores available for the autumn term – all items are £1. If you have been clearing out over the summer, any donations of outgrown uniform are very welcome.

Reading Challenge

Next week our Good News Assembly will be a celebration of our children's Reading Challenge success. Fifty two children started the challenge and thirty eight completed it which is great. I already have some certificates and medals in school, please send in your child's if they would like to show them on Friday. As we will have so many, please do not send in any other certificates or trophies until the following week.

Thank you.
