Well done to our Y5/6 football team who played this week in the pre-qualification matches. Great sporting behaviour!

Help for Class 1

Does anyone have any screws, nuts, bolts or washers that they could donate to Class 1 to help them develop their fine motor skills? Gratefully received!

Homework Club

Due to other after school commitments, there will be no Homework Club on Thursday 5th October.

Play Equipment

Could I please ask parents to supervise their children's use of the play equipment when they are waiting before and playing after school, especially when pre-school age children are using it? We know genuine accidents happen, especially when a large number of children are playing and are of a wide age range.

Apple Crumble

Class 5 will be harvesting the apples from our orchard and baking apple crumbles which they will sell after school on Monday 2nd October. All proceeds will be donated to Food Friend. Please support them if you can.

Harvest Festival

Next Thursday is our Harvest Festival. We will be collecting food for our local foodbank, Food Friend, which we will display in Church for the service and then take to St Bart's afterwards. We ask each child to bring in at least one item for our collection. These need to be packet / tinned / long life items which are not perishable and have a long best before date. Some children like to decorate a little box or basket which they are welcome to bring in; plastic bags to transport all the food in are also very welcome!

Harvest Lunch

Liz, our cook, has prepared a special Harvest lunch for the same day as our Harvest Festival. If your child usually has school lunches then this will be then menu they will choose from next Thursday. If they would like to join us for a one-off meal, please let Mrs Clark in the office know and send in £2.50 in a named envelope.

Thank you.

PTA News from the Chair

In the last 12 months from 6 September 2016 - 5 September 2017, the bike ride raised nearly £10k (£9942 to be exact). What a phenomenal amount of money! Well done to everyone who organised, cycled and sponsored this year's ride and in 2016 too, as some of the money raised from that takes a few months to be banked, so would have been accounted for this year. All the money raised goes to fund the school's annual wish list and then accrued for larger projects such as the Egg Box and the next big project, which is for the outside play area by the tyres and peace garden to be resurfaced (estimated cost around £25,000).
