

Thank you

The PTA would like to thank everybody who contributed to our events last year, whether you baked, cycled, attended events or donated in any way. We had a very successful year with some new events and huge sum of money raised –around £20,000.

The children certainly enjoyed themselves and the wonderful and now invaluable Egg Box has been in full use since October 2016.

Welcome

Welcome to all our reception children and new parents and carers. You are all automatically members of the PTA, so please come along and join in, even if you have just a hour to spare at our Christmas fair, or could offer a prize for our raffle. Every little helps. We fundraise in many different ways – see the event diary.

Team work

This year's committee comprises of Emily Titley and Lisa Vose as the Co-chairs, Nicola Aslam as Treasurer and Lynn Hall as Secretary. We would love someone to help us out with Publicity. Have you got a creative flair for posters? Please get in touch.

Class Reps

Class 1 Vicky Wilson and Susie Withington

Class 2 Bev Meyer, Rachael Thomas and Sophie O'Connor

Class 3 Caroline Kelf and Nicola Coppock

Class 4 Alison Marris and Fiona Toms

Class 5 Sophie Taylor and Helen Scott-Martin

What does the money pay for?

Our PTA funds pay for many things throughout the year, which include our Music Teacher, coach trips, theatre trips, equipment, iPads, learning resources, Education City resource, books, global and science week, author visits and more. The Egg Box was funded by the PTA and 6 of the bike rides and a generous donation by Egg Homes.

Other ways you can help easyfundraising.org.uk

When shopping online, log on to this site first, add St Anne's Fulshaw and access your chosen shopping/insurance/holiday booking site etc through there first. All your purchases will help raise some funds for our school.

Corporate Charity Fund Matching

Many employers offer charity matching schemes. If you are involved with a charity or fundraising activity, they will match funds raised, usually up to £1000. Please let us know if you a company that offers this. Barclays have donated a huge sum collectively in previous years.

Micro Scooters

When you purchase a scooter and quote ref **11287** from www.micro-scooters.co.uk, they donate a % of that sale to the school.

Our next Big Project

We want to resurface the outdoor play area using soft-pour rubber so that the children can safely enjoy it all year round, in all weathers. Being able to use all of the outdoor features will increase pupils' fitness and time spent on physical activity, help them to learn about nature, the environment and sustainability and ensure that we are able to continue to offer a broad and enriched curriculum to all children in our care. This has been quoted as £20,000-£25,000 but we are hoping to complete this in stages, as it may take around 4 years to fundraise for the total area.

We are fortunate enough to have been chosen as one of the Co-op's good local causes and will receive community funding for this (April-Oct 2017). Hopefully we will be able to re-apply in 2018.
