Well done to both our netball team and our Y5/6 football team who played this week in their first league matches. Our netballers won one, drew one and lost two – their sporting play was excellent and well done to Callum, Libby and Grace who were goal scorers.

Unfortunately the football results weren't what the team had hoped for, but they represented the school brilliantly and they should be very proud of themselves.

Super leadership from Martha and Jackson as our team captains.

### Lego Club

Please note that due to other after school commitments, Mrs Thomas has altered Lego Club dates for the next two weeks. Parents should have received an email but as a reminder, the next sessions are on Tuesday 10<sup>th</sup> and Thursday 19<sup>th</sup> October.

### **Play Equipment**

Could I please ask parents to supervise their children's use of the play equipment when they are waiting before and playing after school, especially when pre-school age children are using it? We know genuine accidents happen, especially when a large number of children are playing and are of a wide age range.

### **Harvest Festival**

Thank you so much to everyone who donated food items for our Harvest Festival this week, and also to those who bought apple crumbles from Class 5 on Monday. We took a full car-load of food items to the food bank and also a cheque for £56 for Food Friend. I am so proud of the kindness and generosity of everyone in our community. Thank you, everyone.

We also welcomed Christine Theobald who led our service and who will be involved in our Thursday morning Church Assemblies along with Rev Sandi Fisher as Rev Paul Smith has now left the parish.

### **Hygiene**

We currently have a number of families in school who have recently treated their children for threadworms. These are commonly spread when children are in close proximity and are very easily treated. To help manage the spread could all parents talk to their children about good toilet hygiene over the weekend? Thank you.

### **Jeans for Genes**

Thank you to everyone who supported our charity fundraising for Jeans for Genes last week. We raised £99.00.
