

Visit to Daresbury Laboratory
Thursday 19th October

Dear Parents of Year 5 and Year 6,

Last year the Lego team won their round of the competition at the Daresbury Laboratory near Warrington, and Millie and I met the coordinator of the event at the Big Bang Fair in Liverpool in the summer term. She remembered us, and I have been able to secure an invitation for our Year 5 and Year 6 children to participate in a special event at the laboratory on Thursday 19th October, which is conveniently during our Science Week.

We will join the first ever live link to an underground laboratory in Northumberland, which investigates dark matter, and we will be able to spend time in their planetarium.

The event is free, but we will need to get there, and the cost of the coach will be £7.50 per head. We will leave school after registration and return before the end of the school day. Your child will need a packed lunch, snack and water bottle.

This is a great opportunity for our children to get a chance to spend some time in a proper scientific working environment, and I am really looking forward to taking them.

Please complete the permission slip and return it to Mrs. Clark with the £7.50 as soon as possible.

Many thanks
Mrs PT.

Visit to Daresbury Laboratory
Thursday 19th October

I am happy for my child, _____ to visit Daresbury Laboratory, and enclose £7.50 towards the cost of the coach.

Signed _____
