On Thursday the football team played their last round of fixtures before the winter break. The improvements in the team's performance in the games compared to last week were vast, and this was largely due to their much improved team spirit – the positive praise that they were giving each other was great to see. Lego Club

Lego Club is on Thursday 19th October next week.

Science Club

I'm delighted to say that we have 20 children on the list for next Friday's after school Science Club. Everyone who applied for a place has been successful. The club will take place next Friday and will finish at 4.15pm.

Science Week

Please don't forget that every child needs a glass or plastic jar or bottle and newspaper for next week's activities. We are REALLY looking forward to it!

Thank you for your AMAZING bee words – I shall spend the weekend compiling them and we shall use them all for our Big Draw activities next week.

Happy Birthday to the following children:
Luay Aslam, Kate Marris,
Hattie Humes

Breakfast and After School Club

Our Breakfast Club is open from 8.00am each morning and places must be pre-booked. There are plenty of spaces still available so come along and join us! **Please remember that any pre-booked after school club sessions MUST be cancelled with at least 24 hours' notice or we will need to charge for attendance.** Thanks.

Guitar Lessons

Al, our guitar teacher, has space for one junior pupil to start guitar lessons this half term. Sessions cost £12 each and are billed half termly. Please let Mrs Clark in the office know if you are interested.

Year 5/6 Residential

Please note that the next instalment for the Pensarn residential is due by 20.10.17. Thank you.

Play Equipment and Parkour Equipment

Could I please ask parents to supervise their children's use of the play equipment and parkour equipment when they are waiting before and playing after school, especially when pre-school age children are using it? We know genuine accidents happen, especially when a large number of children are playing and are of a wide age range.

Digital Kids Event

We are sending home a flier for the Digital Kids event to be held in Manchester in November. Families from our school who wish to book tickets can use the code STANNES10 for a 10% discount. We have also been given a family ticket to raffle on behalf of the PTA. This is worth approximately £100. We will be selling tickets until Friday 10th November at £2 per ticket. Please see Ms Daniel for tickets and your chance to win.
