

Autumn Tidy Up

As we have done successfully in previous years, we are proposing a School Grounds Working Party on 11th November, starting at 9.30am.

The idea is that as many parents and carers that wish to join forces to tackle some jobs around school, principally to assist in the grounds being as useful as possible to teachers and pupils for lessons and clubs.

As such, the focus on 11/11 is to try and clear some vegetation from around the pond area and to clear the planting beds of weeds. If any of you wish to join us, or rope in any family members etc, it really is the more the merrier.

If people attending could bring along some gardening equipment (shears, secateurs, spades, forks, hedge trimmers, strimmers, wheelbarrows etc) that would be great, otherwise we can allocate tools on the day.

Children are very welcome to join in on the day, but will need appropriate supervision, the same goes for grandparents!

Thank you in advance to all who can attend and help out. With enough numbers it shouldn't take us too long and we plan to provide refreshments to all attending as a thank you.

If you could let us know if you plan to attend via the Facebook comments section on the parents' page, or via email to jonathan.vose@walsingplan.co.uk , that should help us plan for the day.
