

For any parents who are new to school this year, as part of the Christmas fair we often have a homemade Christmas cracker stall. In order to do this we ask children to make a cracker at home and bring it in for the stall.

Here is what you need, along with the instructions.

Thank you for your support.

### **How to make a Christmas cracker**

#### **What you need**

1 toilet roll or card inner tube of wrapping paper cut to size  
Christmas wrapping paper

Ribbon or string

Sticky tape

Toy and sweet

Joke written on a piece of paper

#### **Instructions**

Place a chocolate or sweet, along with a toy such as a bouncy ball, jewellery or other novelty item inside your card tube.

Write a funny joke on a piece of paper, fold it up and put it inside.

Roll wrapping paper around the tube and tie with the ribbon or string at each end.
