

COLLECTION OF UNWANTED TOYS AND GIFTS

Dear all,

For the past seven years, we have been collecting toys at Christmas time to donate to local children via the social services in Handforth and Macclesfield as well as through Hampers of Hope.

As the number of children who could benefit from a present has grown, we are having to look further afield for donations and would be grateful if you could have a look in your garages, attics and cupboards for BRAND NEW and UNWANTED toys, toiletries, craft items, stationary, books, footballs, kites etc... The range in the children's ages in both genders is wide, from nought to 18, so anything would help, however small, be it a packet of cards or a gift pack of perfume/shower gel.

Please NO battery operated toys (which are expensive to run), no clothes or second hand items - it is best if the items are still wrapped in their original packaging or/and still have a label on.

If you do not have anything this year, please bear us in mind throughout the year too if you find yourself with toys your children will never use, be it due to their lack of interest in them or because they have them in duplicates. I collect and store throughout the year for the following Christmas collection.

If you do have something you feel may be relevant, please contact me via email at nathaliecraven@hotmail.com or come to see me in the playground at school pick-up, so we can arrange for a pick-up/drop off the items.

Thank you in advance for looking.

Nathalie Craven (Lilia Craven's mum)

P.S. Please note that we have another outlet for GOOD QUALITY second hand toys too, even though our main collection is for brand new ones for Christmas as requested by the social services. Thank you.
