Well done to all our Year 5 children and Middays who took part in an afternoon of training with Rosie Harris, our School Sports Partnership Development Manager, this week. They are all suitably refreshed in the delivery of the Phys Kids and Playground Pals programme. We were delighted to receive our Platinum School Games Award on Thursday afternoon and are still absolutely thrilled to be one of only 104 schools nationally to have been recognised as worthy recipients. Look out for some press celebrations this weekend!

New Year Reminders

As we start the new term and the New Year, could I please gently remind parents of the following?

- We have a number of children in school with very severe nut allergies and as such I must insist that we are as far as possible a nut-free school. I am sure that we are all very happy to work together to keep all our children safe while they are here at school. Thank you.
- The school days officially starts at 8.50am. At the end of the autumn term, when we were all flagging this did start to slip a little bit. Please help us to start the New Year as we mean to go on by ensuring that all children are on time, lined up and ready to start their day promptly, and that the playground is cleared of parents and buggies as soon as the first bell goes so that we can bring children into school swiftly and without distractions, ready to start their day. Thank you for your support.
- If you pay for your after school / breakfast club / invoices using BACS, please ensure that you use your child's name as a reference. Mrs Clark deals with lots of these and reconciling them with the bank statements is becoming a very tricky job as hardly any have any reference to identifying them. Please help her by using your child's name, thank you.
