

St Anne's PTA Bike Ride 2018

Would you like to join us for 3 days on the annual St Anne's PTA fundraising ride?

No cycling experience is necessary, just a roadworthy bike. We run training rides around twice per month to make sure you are ready for the ride.

This will be the 7th bike ride for the cause and has helped raise around £35,000 for the school since it started.

It is a fun, exciting, challenging and sociable event that is a great way to meet other parents, with around 16 people taking part each year.

If you are interested in signing up, or just finding out more about this ride, we are holding a meeting where we will discuss the details of the ride.

Please join us at:

The Brewhouse & Kitchen on Tuesday 23rd January at 7.30pm

If you are unable to come to the meeting but want to find out more information then you can contact Dan via the following:

 dannogilchrist@hotmail.com or    07886736038.
