

# **ST ANNE'S FULSHAW NEWSPAPER— FIRST EDITION!**

**We are extending an open invitation for all pupils to submit contributions for entry into the very first edition of our school newspaper.**

**The theme is 'SNOW'.**

**Poems, stories, jokes, quizzes, interviews or photographs are very welcome and should be emailed to the following address at the foot of this flier before Friday 16th March.**

**Text submissions should be in Microsoft Word and photos should be sent as jpegs ,which will help us to format the newspaper.**

**We are very excited about producing the paper and will be working with Mrs Thomas to help us make it as interesting as possible. All submissions will be considered but it may not be possible to include absolutely every item in each edition. We will try our hardest and hope that you enjoy our first ever school newspaper.**

**Best wishes,**
