Other celebrations:

I already have some certificates and badges ready to show. I'll keep them safe and we will do this on Friday 14th September. We will allocate a Good News Assembly towards the end of the month for the children who completed the Summer Reading Challenge to bring in their certificates and badges to celebrate.

School Lunches

The cost of school lunches for pupils in Year 3 upwards remains £2.50 this year and the total cost for this half term is £95.00 (38 days at £2.50). Lunches may be paid for daily, weekly, monthly or for the full half term. Please send payment into school in a named envelope. Payment made be made by cash or by cheque (payable to Cheshire East Council). Please do not let your account get into arrears, and come in to see us if you need support to apply for free school meals.

Nuts

We have a number of children in school who have very serious allergies to a variety of nuts, and as a result, we have always committed to being a nut-free school. Everything we serve is meticulously screened before it is made available to the children, however I have been a Midday Assistant this week and have noticed a number of products sneaking into lunchboxes which could easily cause problems for our children – specifically cereal and nut bars and the use of Nutella spread. Please could I ask that parents help us to keep all of the children in school safe by double checking the ingredients of any food that they send in? We really appreciate your support with this, thank you.

Staff News

As some of you have noticed, Mr Harley has not been in school this week. He is enjoying his paternity leave after he and his wife welcomed their baby daughter, Freya, during the summer holidays. He will return to the classroom on Wednesday 19th September. Meanwhile Mrs Lloyd has got Class 2 off to a splendid start.

Mrs Davies will have a change of role this year and moves from being a Teaching Assistant to a Learning Mentor. She will continue to be based outside Class 2 but will work to offer emotional support to children across the school as well as running the Relaxation Station with Mrs Davis. New pupils will be starting Resilient Classroom and Cool Connections sessions shortly.

Happy Birthday to the following children: We will start birthday bookmarks from 1st September onwards on next week's assembly

Meet the Teacher

Our annual Meet the Teacher event will take place on Wednesday 19th September between 5.00pm and 6.00pm. Look out for the flier with more details next week.

Snacks

I have attached the snack menu to this Flyer to remind parents of the range and cost of snacks each day. It is of particular interest to parents and children in Year 1 as they move from being provided with a snack in the classroom, to ordering and paying for it independently.

Clubs

We will be sending out an amended clubs schedule for the term next week. We have just three spaces left for Dodgeball which runs on a Thursday until 4.15pm and costs £28 for the half term. Please let Mrs Clark in the office know if your child would like to attend.

Cloakrooms

As most of you are aware, we have very limited cloakroom space at school, and as autumn approaches, I would like to remind you that bulky backpacks should not be brought to school as they take up too much space and get knocked off pegs and trodden on mistakenly. Children only really need their book bag and lunchbox if they are on packed lunches and we hate seeing beautiful, special bags getting grubby and damaged by accident. Thank you.
