3.4.2 Unless an immediate response to events is required, staff must not direct cameras at an individual, their property or a specific group of individuals, without an authorisation being *obtained using the school's forms for Directed Surveillance to take place, as set out in the Regulation of Investigatory Powers Act 2000. (The Council's Compliance Unit based at Westfields is able to give advice if required)*

3.5 Materials or knowledge secured as a result of CCTV will not be used for any commercial purpose. Recordings will only be released to the media for use in the investigation of a specific crime and with the written authority of the police. Recordings will never be released to the media for purposes of entertainment.

3.6 The planning and design has endeavoured to ensure that the system will give maximum effectiveness and efficiency but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.

3.7 Warning signs, as required by the Code of Practice of the Information Commissioner have been placed at all access routes to areas covered by the school CCTV.

### **4.0 Operation of the system**

- 4.1 The system will be administered and managed by the Headteacher in accordance with the principles and objectives expressed in this policy.
- 4.2 The day-to-day management will be the responsibility of the Headteacher and the caretaker.
- 4.3 The CCTV system will be operated 24 hours each day, every day of the year.

## **5.0 Location of CCTV control facilities (eg control room or appropriate location)**

- 5.1 The caretaker or Headteacher will check and confirm the efficiency of the system on a fortnightly basis and in particular that the equipment is properly recording and that cameras are functional.
- 5.2 Access to the CCTV control facilities will be strictly limited to the Headteacher, caretaker and admin officer.
- 5.3 Unless an immediate response to events is required, staff in the CCTV control room must not direct cameras at an individual or a specific group of individuals.
- 5.4 Control operators must satisfy themselves over the identity of any other visitors to the control room and the purpose of the visit. Where any doubt exists access will be refused.
- 5.5 The system may generate a certain amount of interest. It is vital that operations are managed with the minimum of disruption.
- 5.6 If out of hours emergency maintenance arises, the Headteacher or caretaker must be satisfied of the identity and purpose of contractors before allowing entry.
- 5.7 Full details of visitors including time/date of entry and exit will be recorded.
- 5.8 When not manned the facility must be kept secured.

  - (ii) Before using, each disc/recording must be cleaned of any previous recording.
  - (iii) The controller shall register the date and time of recording insert, including recording reference.
  - (iv) A recording required for evidential purposes must be sealed, witnessed, signed by the controller, dated and stored in a separate, secure, evidence record store. If a record is not copied for the police before it is sealed, a copy may be made at a later date providing that it is then resealed, witnessed, signed by the controller, dated and returned to the evidence record store.
  - (v) If the record is archived the reference must be noted.
- 7.2 Records may be viewed by the police for the prevention and detection of crime.

The school also retains the right to refuse permission for the police to pass to any other person the record or any part of the information contained thereon without a warrant. On occasions when a court requires the release of an original tape this will be produced from the secure evidence record store, complete in its sealed bag.

7.6 The police may require the school to retain the stored records for possible use as evidence in the future. Such records will be properly indexed and properly and securely stored until they are needed by the police.

7.7 Applications received from outside bodies (e.g. solicitors) to view or release tapes will be referred to the Headteacher. In these circumstances records will normally be released where satisfactory documentary evidence is produced showing that they are required for legal proceedings, a subject access request, or in response to a Court Order. A fee can be charged in such circumstances: £10 for subject access requests; a sum not exceeding the cost of materials in other cases.
