

gardens for schools

Dear Parents

Great News - your child's school is taking part in the Gardens for Schools scheme, that will help you get more free gardening products for your school.

What is Gardens for Schools?

Gardens for Schools is an important part of our on-going relationship with local schools, the Gardens for Schools project allows Strikes Garden Centres to work with the children, inspiring them to get their hands dirty in the garden, learn about a healthy lifestyle and get the chance to grow their own fruit and vegetables.

Customers receive one Gardens for Schools voucher for every £10 spent in a single transaction in Strikes Garden Centres and Topiary Coffee Shops*. Customers are then able to donate their vouchers to the school of their choice who can exchange the vouchers for free gardening products.

New Redemption Levels!

On the collection of 250 Gardens for Schools vouchers**, Strikes Garden Centre will exchange them for a £100 garden centre gift voucher to be spent on garden product of the school's choice.

A full list of participating garden centres is attached for your convenience.

Happy collecting and gardening!
