

7th February 2019

Dear Parents,

I hope those of you whose children have attended the afterschool dodgeball have enjoyed it.

If you are new to dodgeball it's an all-inclusive sport that any child no matter what their sporting ability can enjoy and become good at. It really is a sport for all.

We use foam balls and the basics of the game are that you throw a ball and hit your opponents to get them out. Catches also get opponents out. It's great fun all you need to be able to do is pick up a ball and throw it, children quickly become skilled and it's great for confidence and team participation.

It's for children aged 6 upwards, the numbers will be capped at 20, on a first come first served basis.

The next term will run for 6 weeks on Thursdays 3.15-4.15pm from the 28th February – 28th March. The cost is £20.

If you would like your child to attend please complete the form below and return to Mrs Clark BEFORE the end of term.

Vicky.
