World Book Day

This event falls on Thursday 7th March, and this year, the staff and School Council have decided to have a pyjama day, celebrating the idea of reading bedtime stories.

We wanted to let you know in plenty of time so you don't spend money or time unnecessarily on costumes over half term.

The children will be bringing home a World Book Day voucher after half term, which can be spent against any children's book or redeemed against a title specially published for World Book Day, so everyone gets a new book!

Lego Competition

At lunchtime today, 10 excited children and 1 'exhausted' teacher set off with family and friends for the National Final of the First Lego League at the University of the West of England in Bristol.

The children will present their research into their solution to one of the problems of long haul space travel, to a team of scientists; compete in three rounds of the robot competition; undertake a teamwork challenge and 'be on show' throughout the day for their friendliness, cooperation and enthusiasm.

The children have worked so hard since October, after school twice a week, every week, and fully deserve their place in the finals. This is the second time in three years that we have achieved this, and we are enormously proud of them all. We wish them the best of luck, and lots of fun!

If you are interested in seeing some of the activities during the day, it is being broadcast on Facebook. I have included the link here. <https://www.facebook.com/FirstLegoLeagueUK/>

Global Week

The children have had a wonderful week of creativity, fun and learning this week. They have been encouraged to try new foods from India and China and have created a wonderful variety of art in classes. Mrs Campey has worked with all the children today, and they have danced with and performed for their friends in other classes. There was a lovely day of music composition and performance en masse on Wednesday. We also had a splendid afternoon story and drama session on Tuesday, when each class shared a story from their chosen culture. And finally, everyone in the school has been involved for the past two days in a 'Big Art' project which will remind us every day of our own pledges to reduce, reuse and recycle plastics in our daily life. This is displayed on the end wall of the hall, and you are welcome to come into school to see it. Our thanks to Wilmslow Arts Society and of course the ever-giving PTA for supporting this rich and diverse learning.

Residential parents' meeting/Y6 tests meeting

Parents of Y5 and Y6 pupils and children are invited to a meeting about this year's residential trip to Malham Tarn in North Yorkshire. The meeting will be at 5.00pm on Wednesday 27th February and should take no longer than half an hour. Parents of Y6 are invited to stay a little longer to get information about this year's tests in May, and preparations for them.

Payments to School

Please note that any further cheque payments to school should be made out to **Fulshaw CE Primary School** and **NOT** St Anne's Fulshaw CE Primary School as the bank are changing their clearing systems and our school account is in the old name of the school (changed in 2001!). We will have to return any cheques made out to St Anne's Fulshaw CE Primary School to you for amendment. Thank you.

Thinking Day

Pupils who are members of the Rainbows, Brownies, Guides, Beavers, Cubs or Scouts are very welcome to wear their uniform on the first Monday back.
