Eco Committee News

Today our whole school made a pledge to reduce the amount of single use plastics that we use at snack and lunchtimes. We are also planning to build a playhouse out of ecobricks and would encourage all the children to start making one. Our chosen container is a plastic 2 litre milk container. For more information on how to make your ecobricks, please see the information below. Please pack them tightly and keep sending them into school when they are full.

PTA Ladies' Night

The very first PTA Ladies' Night is coming up on Friday March 29th. This fun and informal evening will be a great way to have fun and socialise, enjoy a glass of wine and indulge yourself in a spot of shopping and some pamper treatments! There will also be make up demonstrations and a styling session. What better way to treat yourself on Mother's Day weekend! So, please get behind this new event and help raise funds for your children. Tickets are £7.50 and include a glass of fizz or mocktail and nibbles. You can get your ticket from Mrs Clark in the office or alternatively members of the PTA will be selling tickets in the playground on Thursday and Friday at pick up.

Class 4 children and parents

Jodrell Bank are offering the children the chance to return to Jodrell Bank after their trip, for **FREE** with their families.

Parents or family members can access the offer by entering the voucher code **SCHOOLTRIPKIDS** while booking their general admission online at www.jodrellbank.net.

Payments to School

Please note that any further cheque payments to school should be made out to **Fulshaw CE Primary School** and NOT St Anne's Fulshaw CE Primary School as the bank are changing their clearing systems and our school account is in the old name of the school (changed in 2001!). We will have to return any cheques made out to St Anne's Fulshaw CE Primary School to you for amendment. Thank you.

Choir Club

Due to Year 6 drop-in maths sessions on a Wednesday after school, Choir Club will now take place at lunchtime until Easter.

Plates and Trays

Please could parents help us to ensure lunchtime is running smoothly by reminding children to scrape waste food off their plates and trays, and also to stack them sensibly on the trolley? Thanks
