PTA 100km Walk News

Our 100km walk has been completed and we are all so proud of the team and amazed by the money raised so far. You can still donate at <https://www.wonderful.org/fundraiser/stannescharitywalk-a3290821> and children are welcome to continue sending in their sponsorship money to the school office. There is a PTA meeting on Wednesday 8th May which everyone is very welcome to attend. Hopefully we will have a summary of the funds raised so far and some good news regarding the play equipment.

Year 2/3 Residential Visit

The presentation from the parents' meeting is now on the Class 2 and 3 website pages. Please could parents remember to bring in the Form C and also the R & R medical forms?

Healthy Snacks

Please could we remind parents that the snacks that pupils bring in from home, and also the contents of lunchboxes, should be healthy items? We have seen an increase in crisps, biscuits and sweets which don't sustain the children until lunchtime. We also have a number of pupils who have very serious nut allergies and I would like to remind parents about checking items for 'hidden' nuts, e.g. green pesto sauce which may well contain cashew nuts and pine nuts which may be harmful to some of our children.

Playground Safety

As the weather is brighter, I know that quite a few children are coming to school on bikes and scooters, which is great. We would like to encourage this but also remind children that they need to dismount and walk with their bike / scooter once they reach the school gate. We have had both children and staff members injured by children zooming about and must keep all members of our community safe. This also applies to pre-school brothers and sisters. Alongside this, I need to remind families that dogs are not permitted on the playground or field, this includes those being carried as well as those on a lead. The only exception to this would be guide dogs or registered therapy dogs. Thank you.
