First Lego League News

The core of this year's Lego team have had their first meeting to discuss the project challenge and would really appreciate help and ideas from parents and friends. The theme this year is architecture and the spaces we live in. We have to identify an issue or problem in our local area, and then create and design an innovative solution to the problem. Some of the ideas in the programme concern making things accessible for disabled people, making buildings sustainable, making buildings which complement the local environment. We would really appreciate contact with architects, planners anyone from the Wilmslow Town Council, if anyone is able to introduce us.

Sporting News

Well done to the Year 3 and 4 girls who took part in the High Five Netball Festival this week, and also the Year 1 and 2 children who very much enjoyed the Little Champions Festival.

Happy Birthday to the following children:

PTA and School Fundraising

As Christmas approaches, I know many people will be shopping online and we have a number of ways of raising money for the school without breaking a sweat. Online shopping at thousands of outlets through Easyfundraising donates a substantial amount of money to the PTA each year. Please consider registering and using Easyfundraising as your home page to start raising money right away. Please see the attached flier for more details.

The Book People have started their Big Book Boost. Order from them and for every £10 you spend, they will donate £1 to our school. Please just choose us as your nominated school on this page, and shop away <https://www.thebookpeople.co.uk/bigbookboost>

Micro-scooters also donate money to schools and although they have discontinued their direct donations, they are now part of the Easyfundraising group of donors <https://www.micro-scooters.co.uk/community/scooters-for-schools-update/>

Please note that children should not bring in sweets or confectionery for their snack or in their lunch box. We are also a nut free site and have children on roll who would have a very serious allergic reaction to nuts, should they be exposed to them. Thank you for your support in keeping our children safe.

Parking

Please could I remind parents not to park on either the company spaces opposite the school or on Peter Herd's own car park? These are private properties and the school receives strongly worded complaints when members of our school community park there or block those who are parking there legitimately.
