

WILMSLOW MUSIC FESTIVAL

Friday 13th March 2020

Dear Parents / Carers,

As you know the Wilmslow Heads took the collective decision last week to postpone / pause the selling of tickets for this year's Wilmslow Music Festival (including the Big Sing) to allow us an extra week to monitor the developments around the current Coronavirus outbreak. With regret we have today decided that the only responsible route for us to take is to cancel this year's event. This decision was not an easy one to make but was agreed unanimously given the circumstances.

We would like to thank everyone who has contributed in the lead up to the event thus far this year and will look forward to its return in 2021!

Yours sincerely,

Ms C Daniel
Headteacher
