

St Anne's PTA Bike Ride 2016

Would you like to join us on our annual St Anne's PTA fundraising 3 day bike ride this year?

No cycling experience necessary just a road worthy bike. We run training rides twice per month to make sure you are ready for the ride.

This will be our 5th bike ride and have raised around £20,000 for the school since we started.

This is a fun, exciting, challenging and sociable event and is a great way to meet other parents with around 16 people taking part each year.

If you are interested in signing up or just finding out more about this ride, we are holding a meeting where we will discuss all the details of the ride at:

The Coach and Four on Tuesday 19th January at 7.30pm

If you are unable to come to the meeting but want to find out more information then you can contact Lee on email: pureorigin@gmx.co.uk or 07843424092.
