

Volunteer Today!

Could you volunteer with Girlguiding and help support Rainbows, Brownies & Guides?

All girls in Girlguiding work towards badges, learning new skills whilst experiencing lots of excitement, fun and discovery along the way.

Since the pandemic, our number of volunteers has reduced but interest from girls wishing to take part in Guiding activities remains high.

There are no prerequisites to being a leader and any training will be completed as you lead.

All you need is a positive attitude, some creativity and a wish to help girls aged 5-14!

If you would like to help out you can register your interest at www.girlguiding.org.uk/join-us/join-as-volunteer
