A MESSAGE FROM THE PTA

The PTA exists for 2 reasons - to create a sense of community between families and the school, and to raise funds to enrich the children's school lives.

As we enter the start of a new academic year, we thought we might update you on the last year and what we have achieved. With help from parents, teachers, the children and wider community, we have had some wonderful events that have been really successful and here we are to show you what the money YOU have raised has been spent on. We are ever so grateful for your continued support and hope you are just as excited as us about what we have planned over the next few months!

We need your support!

Your time

Your ideas

Your connections and gifts

Your generosity

Over the years we have raised funds to buy and pay for many things including classroom resources, coaches for trips, music provision, leavers hoodies, the library building itself!

With each passing year as children move on, we lose members and therefore, in order to continue organising fun events for the children and their families, we need new parents to join us. Did you know that as soon as you join the school you automatically become a PTA member?!

We meet once a term to discuss events and always welcome new ideas. If you are unable to attend meetings but have fundraising suggestions, or can help us at our main events please do let us know. We cannot arrange these events without your help. We are always happy to help parents get together to organise an event!
