

Cheshire East Family Hubs are a one-stop-shop for families with children and young people aged 0-19 (or up to 25 for children and young people with special educational needs and disabilities). We bring the very best of council, health, and community services together.

Our hub journey is broken down into three key steps; Start for life (0-5), Primary (5-11) and Young Persons (11-19).

The Start for Life Journey includes family play sessions which are free of charge and operate on a drop-in basis. Babies Together (0-1yr), Stay and Play (0-5yrs) and our Little Stars group for children with additional needs (0-11yrs) run at each of our Hubs. Families can socialise, seek advice from our Start for Life Portage Practitioners and meet with Health Visitors as well as being directed to mental health services.

Our North Locality Hubs can be found at:

- Oakenclough Family Hub – Colshaw Drive, Wilmslow, SK9 2PZ
- Ash Grove Family Hub – Ash Grove, Macclesfield, SK11 7TD
- Congleton Family Hub – New Street, Congleton, CW12 3AH

If you are unable to visit one of Hubs, our new digital offer is the Family Hub ‘in your hand’. The website can be accessed via the link below. It provides a wealth of information and is there to signpost families to the very best of services that are available in your locality. For families with older children our Young Persons offer includes support with money, social media, and mental health as well as coping with exam stress and healthy relationships.

Our ‘What’s on in your local area’ section outlines all of our free-to-attend groups across Cheshire East. On your first visit to a Family Hub you will be asked to register with the centre so that we can continue to work in line with health and safety policy.

We look forward to meeting you and your family soon!
