OUR GOALS THIS YEAR

This year we are planning to host our regular (and much loved!) events: Cinema Nights, Christmas Fair, Family Disco and Summer Fair. In addition to these events we will also be looking to plan a mum's event, a dad's event and a sport event.

We always need volunteers to support event, so please either join the PTA Planning Committee to help out or sign up to organise a specific event!

THE NEWS

We had a lovely time last year as a school community! It was brilliant to be able to host our regular PTA events after all the COVID restrictions of previous years - and in the process we raised a fantastic £8,000!

The money we have raised has been used to fund a music teacher, subsidise school trips and sports week, as a termly donation to school, leaver's hoodies, new books for the Egg Box and to buy ice lollies for the children on the last day of school! Every child in school has benefitted from the money raised, and we are grateful for a supportive parent teacher community getting behind each initiative!

HELP ORGANISE A SPECIFIC EVENT

This year we will be asking for parent volunteers not on the Planning Committee to join to support the organisation of a specific event, such as the Christmas Fair! We'd love your help in this capacity.
